EXPERIENCE

- Frontend developer**
beesphere consultancy services private limited

08/2023 - Present

Successfully developed and implemented a comprehensive frontend website for a client, showcasing proficiency in both web development and advanced JavaScript programming. Crafted a visually appealing and user-friendly interface while incorporating intricate and sophisticated JavaScript logics to enhance the website's functionality.
- Teaching Assistant**
Coding ninjas

12/2022 - 06/2023

Solved over 2000 doubts for students enrolled in Coding Ninjas' Python, DSA, and Full Stack courses, providing them with comprehensive understanding and clarity. Evaluated and provided feedback on more than 40 projects during my internship, ensuring high-quality work and supporting students in their learning and growth.

EDUCATION

- Computer Science and Engineering**
Indira Gandhi University , Meerpur , Rewari - Bachelor in Technology

08/2019 - 06/2023

Achieved an outstanding academic milestone by securing an impressive overall score of 70 percent in university studies. Additionally, demonstrated exceptional coding skills by securing the first rank in the university coding test.

CERTIFICATES

- Excellence in React** ↗
